The Resolutions were introduced and addressed by Ken Manninen. As stipulated in the bylaws, approval of special resolutions requires the support of 75% of members voting and this standard was applied for each resolution.

- may take part in activities sanctioned by the Board of Directors
- are not required to pay annual dues or usage fees or any other financial assessment that may be made

Whereas, the current wording of clause 41(2) is:

A director so appointed holds office only until the conclusion of the next Annual General Meeting of the members of the Association, but is eligible for re-election at the meeting.; therefore

Be it resolved, that clause 41(2) be replaced by:

A director so appointed holds office only until the conclusion of the next Annual General Meeting of the members of the Association, and is eligible for election at that meeting.

Adoption of resolution (Ken Manninen / John Peirce) - *carried*
(unanimous)

Adoption of resolution (Ken Manninen / Molly Henney) - *carried*
(unanimous)

Resolution #7 - bylaw addition required as a registered charity

Whereas, registered charities in Canada are required by the Canada Revenue Agency to have certain clauses in their bylaws; therefore

Be it resolved, that a new Part 13 be added and that the following new clause be added in this Part as:

This provision was previously unalterable; therefore

Be it resolved, that clause 86 be moved to Part 13 and replaced by:

In the event the Gabriola Senior Citizens Association is wound up or dissolved, all assets remaining after satisfaction of its debts and liabilities shall be transferred to a qualified donee as described in subsection 149.1 of the *Income Tax Act* of Canada, and chosen by the members at that time.

Notes to Financial Statements

Year Ended February 28, 2022

1. Summary of Significant Accounting Policies

The Association follows accounting principles generally accepted in Canada in the preparation of its financial statements. The significant accounting policies used are:

- Revenue recognition: Membership dues are recognized in the fiscal period to which they apply.
- Contributed services: Due to the difficulty of determining fair value, contributed services are not recognized in the financial statements.

2. Cash and cash equivalents

Included in the Association's Cash and Cash Equivalents are:

A chequing account, with zero interest rate	\$15,858.68
A high-interest savings account, with an interest rate of .05%	15,118.61
CCCU Member Equity Shares	<u>5.00</u>
	<u>\$30,982.29</u>

3. Fixed Assets

The original land, building and equipment were donated to the Association by the Rollo family. Additions and improvements completed since then have been capitalized and then written off in the year of acquisition.

5. Bequests

GSCA has not received any significant bequests in the reporting fiscal year.

6. Activities

Due to COVID, the Rollo Centre was closed for part of 2020 resulting in the usage dropping significantly. In 2021, with a slight easing of restrictions a few groups resumed their normal activity days mid-way through the year. The total number of people engaged in the activities that were active for this fiscal year was 936. Income for this fiscal reporting year for activities was:

Palette People	\$1,095.75
Parkinson's Group	287.00
Quilters	280.00
Spinners & Weavers	<u>249.55</u>
	<u>\$1,912.30</u>

Also, due to COVID, we saw a reduction in ongoing rentals. There are no numbers available as to how many people attended any rental events.

8. Capital Expenditures

Small capital expenditures in the fiscal year were two chair dollies and an air purifier for the large room.

9. Donations

A few members donated to the Association over the fiscal period. We thank them for their support. There have been no receipt-able donations in the reporting period and since becoming a registered charity. Tax receipts will be issued for amounts \$30 and over.

10. Membership

GSCA membership currently stands at 102 paid memberships. For 2021-22 memberships were approximately 97 and 2019-20 saw approximately 163 paid up memberships. You will note that the numbers have dropped, albeit slightly and COVID played a large part in that.

11. Grants

The RDN Grant of \$2100 to be used for the upgrading/improvement of the deck was used in its entirety in 2021. The deck was upgraded with new steps, relocated to the south side of the deck, the plexi-glass railing was removed and replaced with all wood, some surface refurbishing and paint.

REPORT OF DIRECTORS

- We have been working to update the GSCA website and it is a work in progress. We wish to acknowledge the ongoing support of Hilary Plowright who, while not a current member, volunteers her time to maintain our website. Of note this year, registration for membership may be completed via the website.
- COVID dominated our lives again this year and resulted in many activity groups choosing not to resume their sessions this year. It was a challenge keeping up with the changing Public Health Orders and notifying members what the latest protocols were. Fortunately, the mask mandate has now been lifted and this is likely to be followed by the lifting of the need for a vaccine passport. We have purchased HEPA filtering air purifiers for both rooms as an extra precaution so please be sure to activate them while attending Rollo and to set them to run for an additional 2 hours when your activity session ends. With the impending end of COVID restrictions we hope to welcome many of the activity groups back in the coming weeks.
- This year we said goodbye to the Empress Tree whose roots were threatening the building foundation and the septic system. It was a sad moment for some and a number came by to say their farewell before it was taken down. We continue to be on the lookout for new shoots attempting to re-establish themselves.
- PHC's Stepping Up Stepping Out program helped us out financially by paying a weekly holding fee for their regularly scheduled weekly time slots. This went a long way to keeping us out of the red as we had been the previous year.
- The outside deck was completed this summer thanks to the able leadership of our maintenance coordinator, Kim Kristiansen who led the renovation with the assistance of our president Gary Mills, secretary Ken Manninen and member and past president, Bob Weenk. As lumber prices had increased significantly since the awarding of the grant that we had to swallow the cost over-run but saved the cost of hiring a contractor by providing the labour from within.
- The Nesters Reward Program financed a tidying up of the Memory Garden. Unfortunately, the Rewards Program has ended so Rollo will no longer benefit from the program.
- Karen McCavour stepped down as our janitor and Joel Puff was hired and is doing a great job.
- We registered our well with the Ministry of Environment giving Rollo First in Time, First in Right to the water our well draws from. We will now be charged an annual fee of \$50
- Perhaps the biggest change to GSCA this year was our attainment of registered charitable status with the Canada Revenue Agency. We are still working to line up our ducks to address the new expectations of becoming a registered charity. We are now in a position to issue charitable receipts for donations \$30 and above.
- With the terms of 2 of our directors completing this year and with Richard Strachan letting his name stand for election this year, our Board will be a leaner 8 members this year. Our bylaws require us to have a minimum of 6 and maximum of 10 directors. We had hoped to get to 10 directors but soon realized as our numbers have dropped to just over 100 members from about 170 before the pandemic that perhaps our expectations were unrealistic. But this is a new year with the prospect of a return of the activity groups and with that, hopefully, an increase in membership. If you value attending activity sessions at Rollo and have never served on the Board, please consider stepping up and serving a 2-year term as director.

Activity Reports for 2022 AGM

Chess (member group)

The Rollo's Chess Club has been inactive for the past 2 years, however most chess club regulars have been playing chess online. We look forward to resuming chess at the Rollo at a yet to be determined future date.

Submitted by Kaamran Hafeez

Contract Bridge (member group)

We have been meeting online for the past 18 months or so. Approximately 35% of our group has participated, and we acquired a new player along the way: a newcomer to our island. We all hope to meet her this year at f2f games. Some of the others are chaffing at the bit to join in f2f games once they are a thing.

I will check the entire group in April to see how they feel about returning to Rollo. We have some members with significant health challenges and for them, I expect a hybrid model may be best.

Submitted by Vanda Blok (March 5th)

Cribbage (member group)

The group did not meet this year.

Discussion Group (member group)

The group did not meet this year.

Duplicate Bridge (member group)

The club normally holds session on Monday night but because of COVID has not met over the past 12 months. Some members started playing bridge on the Bridge Base Online web page over the past while. They have been playing on Thursdays and get about 2 to 3 tables. The mainstay to this occurring is Wanda Blok (thank you Wanda) who dutifully emails people each week, sets up the (electronic) tables.

The other bit of news relates to whether the Duplicate Bridge will keep its status as a sanctioned club under American Contract Bridge League (ACBL). We will be deciding that shortly, but plans are to continue Monday Duplicate Bridge at Rollo once members agree to in-person meeting again. We are also looking to have a member take on managing the financial end and weekly meetings of the club.

Will advise when these decisions have been made.

Gabriola Players (on-going renter group)

Like many organizations, 2021 was a challenging year because of the pandemic. All of our in-person activities were suspended so we made very limited use of the Rollo Centre. Thankfully, because of Zoom and Youtube, we were able to mount three online shows over the course of the year. These shows were well received by the local community and we actually had viewers from around the world. As a bonus, all of these shows featured plays written by Gabriolans.

We hope to return to live performances in the late spring 2022 with our One Act Play festival with rehearsals starting in April.

Gabriola Quilters (member group)

1. Our usual Quilter's sessions held on the 2nd, 4th and 5th Wednesdays of each month, were slow to get started in 2021 due to the Covid19 restrictions. By June a few members started attending. One member cleaned out her sewing room, we all had fun purchasing her discarded materials and notions, and she contributed the funds to the PHC.

2. A "Block Exchange" programme was initiated by two members and eight members participated and made a block a month for one of the participants. By the end of eight months each person had enough new blocks for a small quilt.

3. It was our turn to exhibit our quilts at the Rollo. The hanging of the display was on August 11th until September 29th and received many compliments. No Sale was possible this year.

4. In 2022 our Show display will take place from June 8th until July 13th and the Sale will be in conjunction with the Cultivate Festival, on Saturday, July 2nd and Sunday, July 3rd at the Rollo.

5. In November a "Group Quilt for a Special Person", who is a member of our group, was made.

6. In December we had a Christmas luncheon at the Surf with 15 members attending. The "Special Person" was delighted to receive a beautiful throw size quilt at this time

Garden Club (on-gong renter group)

Gabriola Garden Club did not meet in person during 2021 due to the pandemic restrictions. Virtual meetings were not considered an option, as our membership exceeds 120 members.

Instead, we offered monthly newsletters, January through May, September through December. The newsletters offered gardening information with a program similar to our regular meetings. Rather than a guest "speaker", we had links to online resources including YouTube videos on special topics of interest.

May through August the Garden Club offered our Open Gardens program. On the last Sunday of each month, three members opened their gardens for club members to tour. Being an outside event, it was a lovely option for a bit of socializing during the pandemic.

Gather 'n Stitch (member group)

Gather 'n Stitchers did not meet at the Rollo for 2021 but kept in touch through email. A small number of us elected to meet in group members' backyards once the weather warmed in early summer until we were chasing the sun to keep warm over our two hours of gathering by early fall.

Once the cooler weather arrived in the fall, I surveyed our big email group and only one person replied that they were comfortable coming indoors and wearing a mask for two hours while visiting over our fibre art making so we left it while waiting for the pandemic restrictions to ease.

We fully intend to come back to gathering at the Rollo once mask mandates ease and we can comfortably chat over our fibre work.

Palette People (member group)

The Gabriola Palette People would like to preface their report by first giving our thanks, and acknowledging our appreciation to the board of the Gabriola Senior Citizens Association and the work they have done to keep the Rollo centre functioning during the pandemic and leading it into new territories during this time. (i.e. Charitable status).

During this past year we are happy to report that our membership has remained consistently between 30-35 people. We have continued to meet on Tuesdays and Fridays to paint although our attendance on these days has been down due to the pandemic.

We hosted a successful Summer Show which took place as usual in mid-July and a fun "Bizarre Bazaar" at Christmas time with full COVID protocols in place for both events.

The Palette People continue to initiate and coordinate with other user groups to keep the walls of the building decorated in order to make it a welcoming and interesting space in which seniors can meet.

As a group we frequently acknowledge how fortunate we are to have this space in which to share, practice and discuss our craft.

Parkinson's Support Group (member group)

The Parkinson's (PD) Support Group on Gabriola started in 2020 with about 10 persons with PD participating, as well as several care partners. Our group is part of a network of PD Support Groups across the Province that operate under the auspices of the Parkinson's Society of BC.

We have one meeting a month to share our successes and challenges and information regarding our PD experience. We started on Zoom, but during last summer the Rollo Centre became available to use and they welcomed us as one of their Activity Groups. All the members of our group joined the GSCA if they were not already members.

Exercise is a critical part of one's life with PD. We have set up Exercise Sessions with Nancy Boyse that are specifically designed for the range of abilities in our group. We had to suspend these in-person meetings during this past winter, but we are now glad to be meeting in-person again at the Rollo 3-4 x per month. Our schedule is:
3rd Fridays 1:30 – 3:30 – Discussion Group and sometimes a speaker
1st, 4th and 5th Fridays 1:30 – 3:30 – Exercise Session with Nancy Boyse

New members are welcome to join at any time. Please contact John for further information about expectations of members of the group.

People for a Healthy Community, Seniors Programs:

SUSO Program (Stepping Up Stepping Out Adult Day Program)

After a long closure due to the pandemic, we were able to restart the program in the Fall of 2021, running on Mondays and Saturdays from September 25th to December 18th. By maintaining small participant numbers (maximum 12) and continuing to observe all health protocols (distancing, masking, proof of vax), participants felt "safe" and were very happy to return to weekly program activities.

As we move into 2022, we hope to return to pre-pandemic numbers in the program - the maximum capacity for the Day Program being 24 participants on each program day. As you can imagine, there are many seniors we lost from the program over the past two

years (moved, transitioned to long term care, passed away) and we will be actively recruiting new participants for the program in the months to come. The Day Program provides a much needed service to vulnerable and isolated seniors in our community, giving them an opportunity to engage in activities that promote their physical, mental, social and spiritual well-being.

The Seniors Monthly Lunch restarted from September to December of 2021, with a pause during the Omicron wave, and this will restart on the regular "4th Thursday of the month" schedule starting on March 24th.

The New Age of Aging

While in-person programming has been on hold during the length of the pandemic, a virtual ZOOM series was offered once per month from Jan - June of 2021. PHC will keep the Rollo Board updated regarding the evolution of this program as we return to a regular program schedule.

Our sincere thanks to the Rollo Centre Board for their program support, and ability to transition with us through the ups and downs over the past two years!

Photography (member group)

The Photography Club has continued to meet on the 1st and 3rd Wednesdays of each month at 10:00 am throughout these long Covid months but, sadly, only via the medium of Zoom! We are hoping to return to in-person meetings in Rollo in the future, possibly after our July-August summer break this year, if conditions warrant it. One good feature of having on-line meetings is that we have been able to have speakers present to us from throughout North America and the UK! That has been both instructive and inspirational! However, there is no substitution for the camaraderie of group meetings in person at Rollo and we look forward to that again - at some point - and to revising our wall exhibitions and Spring and Fall Sunday shows!

Spinners & Weavers (member group)

We started the year going for walks in the forest and on the beaches with an eye out for any creative or inspiring ideas during lock down. In May we entered a sheep to shawl challenge with the Victoria guild supplying the fleeces. We used mushrooms from the 707 for the dyes for dyeing the fleece, we then carded and spun the fibre, and Alyssa (our youngest member) wove the shawl. We attended the Fall Fair at the Commons where we sold raffle tickets for the shawl. We then worked hard to prepare for our Christmas Sale at the Rollo Centre in November. The sale was well attended and very successful and we raffled off the shawl at the end of that day. We wrapped up the year with our Christmas brunch, so all in all a good year.
